**IF YOU ARE LOOKING FOR A GREAT SPRING/SUMMER TEAM DEVELOPMENT PROGRAM... THEN WE ENCOURAGE YOU TO TAKE ADVANTAGE OF THIS OPPORTUNITY.**

The AHG is pleased to announce our newly created Minor Hockey Spring/Summer Team program. We started this unique program to help minor hockey players get showcased in tournaments and to AHG-owned Minor Hockey Association Personnel and Junior team Coaching/Scouting staff. AHG is the only entity in Canada that provides a pathway and opportunity from minor hockey through all three levels of junior hockey, within the same organization. These are the benefits of participating in our Spring/Summer program. AHG offers 15 games, 3 hours of practice ice time with an optional on-ice instructor and extra added values from May to August.

### HOW TO REGISTER:

A meeting with one of our directors will be arranged to register the team, schedule all tournaments and practices, and finalize all relevant forms and details. Also, completion of all required forms and finalize all details with the AHG. A team deposit of \$2,500.00 is due upon registration. All remaining balances are due 7 days before your team's first ice time, at which time the team will receive all apparel and supplies.
